

menu.h

```
graph BT; main_cc[main.cc] --> menu_h[menu.h]; menu_cc[menu.cc] --> menu_h;
```

A diagram illustrating file dependencies. At the top is a gray box labeled 'menu.h'. Below it are two white boxes: 'main.cc' on the left and 'menu.cc' on the right. Two dark blue arrows point from 'main.cc' and 'menu.cc' up to 'menu.h', indicating that both source files include the header file.
