

poly.cc

```
graph TD; poly_cc[poly.cc] --> poly_h[poly.h]; poly_cc --> cstring[cstring]; poly_h --> iostream[iostream];
```

The diagram illustrates the dependencies of the file poly.cc. At the top is a grey box labeled poly.cc. Two blue arrows point from it to poly.h and cstring. Below poly.h is a blue arrow pointing to iostream. The boxes for poly.h, cstring, and iostream are white with black borders.
